

Farm & Garden Supply Grangetto's

AUGUST IN KEVIN'S KORNER

Summer Fruit Tree Pruning classes are taking place in

August and September at your local Grangetto's Farm & Garden Supply. For times and locations, check out the complete listing on www.grangettos.com. **Richard Wright** of **Edible Eden** will be conducting these workshops designed to help you prune your fruit trees to maximize your production. Summer pruning has been recommended for many years now; and while it is more common to prune your deciduous trees in their dormant period, there are benefits to pruning your fruit trees during this time period as well.
